Dear Friends:

It is with great anticipation and joy to share with you, that my grandmother and I will be going to Ireland in just over a month to serve on a mission's team with Christ Memorial Church. As many of you know, last summer I went to Juarez, Mexico to serve as a short term missionary for three months. This year, I have been lead to serve in a different capacity and join my grandmother along with a group of 10 individuals to join *Logos Hope* in bringing Jesus Christ in word and deed to the people of Cork, Ireland.

*Logos Hope* is a ship apart of OM Ships International. OM Ships international is a non-profit organization which owns and operates ships that sail around the world to bring knowledge, help and hope. Since 1970 OM Ships international, is known for their floating book fairs. *Logos Hope* is going to be in port in Cork, Ireland supplying vital educational and Christian literature resources to the people of Ireland.

I'm excited to say that my grandmother and I will be joining this team. In addition to supplying Christian literature, we will be aiding and assisting people at their point of need, we will be sharing the good news of Jesus wherever we find opportunity. We are blessed to have the ability to go serve cross culturally, however we can't do this alone.

You may be asking why we have written to tell you this. Well, it is very simple we would like you to be a part of our support team. We are asking you, as sisters in Christ, to search your heart and see if there is any way you can help support us and empower us to do God's will. Not only are we asking for financial support, we are asking for prayer partners as well. We desire to further God's work and share the love of Jesus Christ to those in all areas of the world, we are leaving our current mission field and heading to Cork, Ireland for two weeks to do just that. The total cost of the trip per person is roughly \$1, 475. That includes airfare, food, and the meager lodging on the ship.

We are confident that this is going to be an experience of a life-time and any support either financial and/or prayer partnering will be greatly appreciated by my grandmother and I, our Missions Team, as well as the people of Ireland we will be serving.

If this is something that may be of interest to you, please fill out the attached form and mail it to either Christ Memorial Church or the address listed above. We thank you in advance for your prayerful encouragement and support. If you have any other additional questions or would like to talk about our mission experience, please don't hesitate to call.

In Christ's Love always,
